

Dear Patient:

Welcome to Axis Medical Group!

We are required to provide you this good faith estimate of the cost for your upcoming visit. If you have any questions, please contact us at 323 268-5060.

Good Faith Estimate of How Much You Will Pay

Depending on the reason for your visit and the services provided by our office, you can expect the following costs. Specific charges will be based on your actual medical needs.

<u>Service</u>	<u>Price Range</u>
Office Visit	\$60 - \$120
Laboratory Testing	\$90 - \$150
Electrocardiogram (EKG)	\$50
Urinalysis	\$20
Antibiotic Injections	\$50
Pain Medication Injection	\$50

Please note: This Good Faith Estimate is based on our general understanding of your potential needs. Your actual charges may vary from this estimate. While caring for you, our providers may recommend additional services that are not listed here. This estimate is not a contract and does not require you to get services from Axis Medical Group. If your actual charges are more than \$400 above this estimate, you can initiate a provider-patient dispute resolution process. Starting a dispute resolution process will not affect the quality of health services you receive at Axis Medical Group.

For questions or more information about your right to a Good Faith Estimate, visit www.cms.gov/nosurprises or call us.
